

TITANS READ!

University High School 2014 Recommended Summer Reading List

Summer reading is required for all Honors and AP English courses (see website for assignments) as well as all 12th grade English classes.

We feel very strongly that literacy and reading skills are important for ALL students year round. Summer should be not absent of great books. Every student, regardless of grade or reading level, is encouraged to read regularly over the summer. While there are many great books out there, here are some recommendations of engaging titles we hope our students will enjoy. Before you hit the beach or pool this summer, pick up a book to take with you!
